

KinderSign - Connect the iPad to WiFi

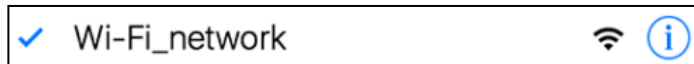

- A** Tap the **Settings** icon on the iPad home screen.

- B** Make sure Wi-Fi is turned on.

- C** Tap the name of the secure Wi-Fi network you want to join.

- D** Enter the password for the secure Wi-Fi network, then tap **Join**. To confirm the iPad is connected to Wi-Fi, verify the signal strength that appears on the top left corner of the iPad screen.

- E** Once connected, tap the **Home**  button on the lower portion of the iPad to return to the Home Screen.
