

KinderTrack – View and Edit RMR (Regional Maximum Rate)

The RMR manages the rates and effective dates for each district and Provider type.

A Press **RMR** under **Administration**.

B Use the **District** drop-down menu to select the district you want to view.

C Use the **Provider Type** drop-down menu to select the provider type you want to view.

D The RMR for the corresponding parameters will be displayed underneath the search parameters.

Status: Active
