

TX Child Care Connection – Provider Update Program Information

The **Program** page reflects the programs that you are licensed to provide. Some information can be edited, but Programs cannot be deleted.

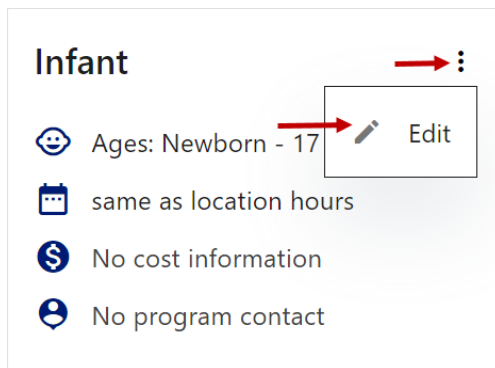

A Press **Edit Profile**.

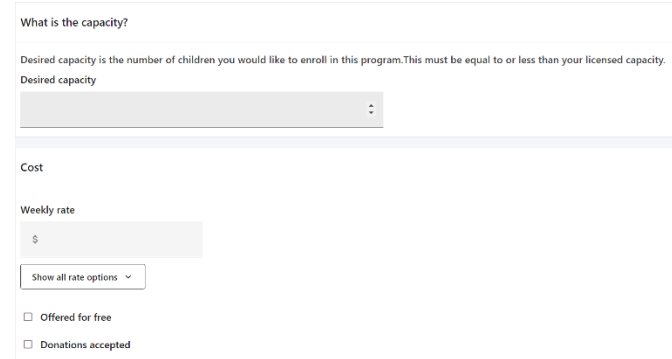

B Press **Programs** under your menu.

C Press the three vertical dots, then press **Edit**.

D Enter/edit the necessary information

What is the capacity?

Desired capacity is the number of children you would like to enroll in this program. This must be equal to or less than your licensed capacity.
