

KinderTrack – Select a Program in a Schedule

The Program field in the **Family > Schedule** page displays the funding streams available for the selected provider. The programs are assigned to Providers in the **Provider > Profile** page.

- D** Select the Program from the **Program** drop-down menu.

Note: First, you must select a **Provider, Profile, Type Of Care**, and **Start Date** to enable the **Program** menu.

- A** Press **Schedule** under **Family**.

- B** Select the child in the **Select Child** drop-down menu and select the schedule in the **School Schedule** drop-down menu.

A screenshot of the 'Family Schedule' form. The form displays the following information: Family: Stark (Termination Pending) (9), Family ID: 9, Case Number: [blank], Select Child: Stark, Jane (with a red arrow pointing to the dropdown arrow), Child Age: 6 years 7 months, Select Schedule: ABC 123 Learning Center (with a red arrow pointing to the dropdown arrow), and a 'Show All' checkbox. The 'Select Child' and 'Select Schedule' dropdowns are highlighted with red boxes.

- C** Press **Edit**.

A screenshot of the 'Program' selection form. The form contains several fields: *Provider: 1.2...me Kidz Select >>, *Profile: Default, *Type Of Care: Licensed Center - (A), *Program: [blank] (with a red arrow pointing to the dropdown arrow), *Rate Type: Regular Day Care, *Start Date: 1/1/2024, *End Date: 8/23/2024, Varying Schedule: [checkbox], *Daily Limit: Number of Hours, Flags: Select >>, Inclusion Rate: 100, Pay To Parent: [checkbox], and Notes: [text area]. The *Program dropdown is highlighted with a red box.

- E** Press **Save**.
