

KinderConnect – Board Admin Updates Announcements

The KinderConnect **Announcement** Center is part of the Home page. The Home page defaults to the Announcement Center upon logging in.

Note: Only authorized users will have access to this page.

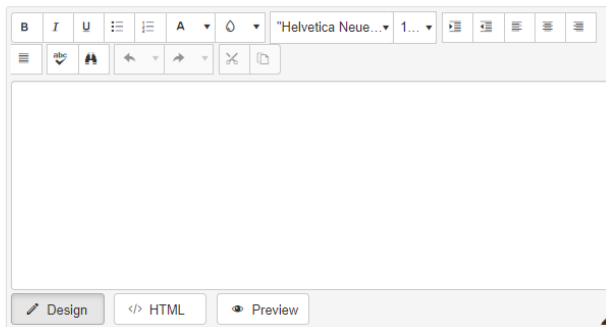

- A** Click on the **Site Settings** under the **Admin** menu.

- B** Scroll down to the **Splash Screen Settings** section. Enter the Announcements in the text box.

Splash Screen Settings

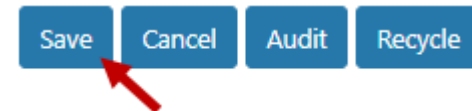

KinderConnect Home Screen Message:

Note: There are different text boxes for English, Spanish, and Vietnamese. Each announcement displays on its corresponding page when the language is selected in KinderConnect.

- C** Press **Save** at the top of the page once done.

Site Settings

- D** The message will be displayed on the home page.
